MIDSTREAM

Mission Statement

To accumulate, analyze, review and disseminate information in the area of Midstream/Downstream activities significant to the oil and gas industry and members of COPAS. Activities of the Committee may be developed within the Midstream/Downstream Special Committee or assigned by the COPAS Board of Directors.

Key Result Areas

- Develop and update COPAS publications related to Midstream/Downstream issues.
- Recruiting – Develop and maintain an active membership base.
- Provide a forum for educational opportunities through training, networking, and knowledge-sharing.
- Support the objectives and goals of other COPAS Standing and Special Committees on issues of mutual interest. This includes soliciting input from other committees on projects which may impact their areas of responsibilities.
- Participate with professional organizations in the industry on projects of mutual interest.

Future Meeting Topics

- LNG Terminals and Gathering
- Gas and Liquid Measurement Standards
- FERC Pipeline Regulations
- Best Practices for Gas, Liquid and Oil Allocations
- Pipeline Quality Banks
- Oil, Gas and NGL Marketing

Potential Committee Projects

- Re-write of AG-17 Refining and Marketing Exchange Accounting
- Model Form Accounting Procedures
 - Gas Plants
 - Refineries
 - Pipelines
