Petroleum Accountants
Society of Oklahoma-Tulsa

The Organization

The Petroleum Accountants Society of Oklahoma-Tulsa (PASO) is a Charter member of the Council of Petroleum Accountants Societies (COPAS) organization. COPAS is recognized domestically and internationally for its expertise in petroleum accounting and publishes industry guidelines recommended for accounting and reporting activities.

The focus of PASO is in the work of its committees. Local committees include:

Audit
Education
Joint Interest
Revenue and Midstream
Financial Reporting, Tax, and
Small Oil & Gas
New Professionals

Benefits

- Earn CPE and valuable insight through educational events.
- Discover tax incentives your company is not taking.
- Reduce your costs by finding easier ways to do your business.
- Provide input on proposed regulatory changes.
- Provide opportunities for professional development for yourself and your employees through the Accredited Petroleum Accountant® certification program, educational seminars, leadership opportunities and sharing of expert knowledge.
- Network with industry counterparts to find out how they are addressing problems facing the industry.
- Provide recommendations for resolving problems and issues facing the industry.
